

Homework Help and Great Educational Apps!

Please join the PTA Special Ed Committee

Wed, October 12th, 7:00 pm

in the Board Room of the District Offices

**to learn techniques to help your family
with the homework routine**

An ABA trained behavioral therapist provided by AST will give parents **pointers to help you and your child with this sometimes challenging part of the day.**

Also, **Miriam Brock**, the District's Assistive Technology specialist will inform the group about **great educational Apps on the market - some of which are free!**

For more information please contact the Committee at **specialed@smmpta.org**
