Re: Proposed 2008-09 Budget

Dear Governor Schwarzenegger:

Enclosed is a Resolution passed by [your school name's PTA] opposing your proposed 2008-09 state budget cuts to education.

The proposed cuts to education would devastate our public K-12 schools, making a bad situation much worse. As you know, our state funding has already sunk to the low national ranking of 46 out of 50 states. Further cuts fly in the face of the state's goal of improving student achievement.

Our PTA joins all other PTAs across the state in opposing the proposed budget cuts to education and to programs that ensure the health and protection of all the state's children, youth and families.

Thank you.

Sincerely,

[Your name and title, school, and contact phone number]
